Transparent Language Mobile App

Follow these simple instructions to access your free Transparent Language mobile app included with your Transparent Language Online account. You can be on your way to learning on-the-go in no time!

Step 1

Sign in to your Transparent Language Online account, then click on the "Go Mobile" button in the top right part of the screen.

Step 2

Review the instructions on how to download Transparent Language's mobile application on your smartphone or tablet. This will give you a code to plug into the mobile application.

Step 3

Use the button on the screen for your app store, or open your app store and search for "Transparent Language." Once your app is downloaded and installed, open it and input your username and password that you got from the Go Mobile popup in Transparent Language Online (see Step 2).
