

3-D BOOMBOX

- 1) Color and cut out the boombox and handle.
- 2) Fold handle in half. Cut slits for handle in top of boombox. Insert handle tabs in the slits, fold out tabs, and secure to underside of top. Optional: cut out slot on top to turn your boombox into a coin bank!
- 3) Fold top, sides, back, and tabs, making a box. Adhere all tabs (dotted areas). Hint: "Open" the back and glue tabs to bottom first. With back panel face down, add glue around edges. Fold up to adhere remaining tabs.
