3-D PAPER MUSHROOM

1. Cut out mushroom sheets along brown dotted line.

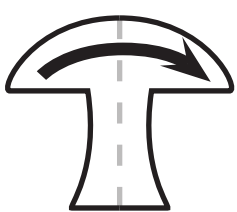

2. Fold along yellow dotted lines.

3. Cut out the folded stack of mushrooms along the black line.

4. Crease each mushroom along the gray line.

5. Paste one half of each mushroom to the unpasted half of another one.

6. Decorate with a friend before gluing the last two mushroom halves.

Cut out a frog or snail friend to decorate your mushroom, or draw your own to decorate your mushroom with!
