# 3-D PAPER PUMPKIN

1. Cut out pumpkin sheets along green dotted line.
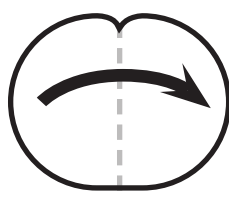

**2.** Fold along orange dotted lines.

3. Cut out the folded stack of pumpkins along the black line.

4. Crease each pumpkin along the gray line.

5. Paste one half of each pumpkin to the unpasted half of another one.

6. Decorate with a stem or leaf before gluing the last two pumpkin halves.

Cut out these stems and leaves, or draw your own to decorate your pumpkin with!
